Monday, June 13, 2022 7:00PM – 8:00PM; Zoom

This meeting will be held virtually via Zoom. Please be sure to arrive on time! [Join Here.](#)

## Sustainability Updates:

Neighborhood Associations must utilize at least 25% of their SIG earnings to fund environmental sustainability projects with the approval of the Green Your Routine Coordinator. Associations are required to submit their project ideas for approval to [gyr@fortlauderdale.gov](mailto:gyr@fortlauderdale.gov) by **Friday, May 20, 2022**, in order to be able to apply for SIG Awards.

Some ideas on ways to spend SIG funds to meet this requirement are:

- Creating community urban gardens
- Planting Florida-Friendly Landscaping™ plants and trees in public areas
- Increasing the urban canopy (shade trees, not palms) for private property
  - The City provides free trees for public property
  - May use city contract pricing for purchases
  - Contact the City Urban Forester with questions at 954-828-5785 or through the GYR Coordinator
- Purchasing Park amenities made of recyclable materials, such as benches made from recycled plastic
- Donating scholarships for Environmental Studies students
- Purchasing clean-up event items, such as gloves, rakes, trash pickers and garbage bags
- Handing out recycled material tote bags to new association members
- Purchasing neighborhood event recycling containers
- Switching to energy-efficient light bulbs for clubhouse/meeting room
- Other similar programs and projects that promote sustainability
